Collieston Gala

Now in it's 58th year Collieston Gala begins another season. The first Gala took place in July 1958 with the aim of raising money to repair the Pier and maintain the paths around the village. Fundraising is still the main purpose of the Gala, but we hope that people supporting the event find lots to enjoy as well. The Community Council organise the events and really appreciate the input from the many volunteers. Gala would not be possible without you!

This year's line-up has all the traditional favourites along with some exciting new attractions. Perhaps owing to our "dry" village status a lot of our income comes from sales at the beer tent, and there are several licensed events this year. Please remember that Under 18's are not allowed to purchase or consume alcohol.

Raffle tickets on sale NOW! Get yours from any Community Councillor or Smugglers Cone

Coastal Café will be open on Sundays, finishing on Gala Sunday after the Church Service
